

Inspiration Cards

designed for you by leverage.

How to use these inspiration cards:

Starting a new project? Need to impress your boss? Need to convince your boss to let you start a new project? Got a case of the Mondays? Building a side-hustle?

These cards are meant to help you get the creative juices flowing. We all get stuck sometimes. Our decades of experience have taught us a few tried and true tactics to break through mental blocks and bring ideas to life.

So, grab a card and go build the next Airbnb, Instagram, or Slack.
